STEP 2.

It'll take you to the Ariba Network Site, where you'll have choice to Sign up if you don't already have the account or log in if you already have the account. If you already have the account, then you don't need to create new account. 4. When you click on Sign Up it'll take you to the registration page. Fill the form with your legal company information i.e., **Name, Country, City, Address, Postal Code** and fill all the other required fields.

A screenshot of the Ariba Sourcing website's login page. The page has a dark blue header with the text "Ariba Sourcing" in white. Below the header is a light yellow banner with the text "Have a question? Click here to see a Quick Start guide." in blue. The main content area is white and contains a welcome message: "Welcome to the Ariba Network. A password reset request was issued from Pakistan Railways – Test's site." Below this message are two red-bordered boxes. The first box contains the text "New to the Ariba Network? Sign up to register your user account." followed by a blue "Sign up" button. The second box contains the text "Already have an account?" followed by a blue "Log in" button. Below these boxes is a section titled "About Ariba Network" with a horizontal line underneath. The text in this section reads: "The Ariba Network is your entryway to all your Ariba seller solutions. You now have a single location to manage all of your activities regardless of which Ariba solution your customers are using. Once you have completed the registration, you will". Below this text is a bulleted list of five benefits: "Respond more efficiently to your customer requests", "Work more quickly with your customers in all stages of workflow approval", "Strengthen your relationships with customers using an Ariba Network solution", "Review pending sourcing events for multiple buyers with one login", and "Apply your Company Profile across Ariba Network, Ariba Discovery and Ariba Sourcing activities".

About Ariba Network

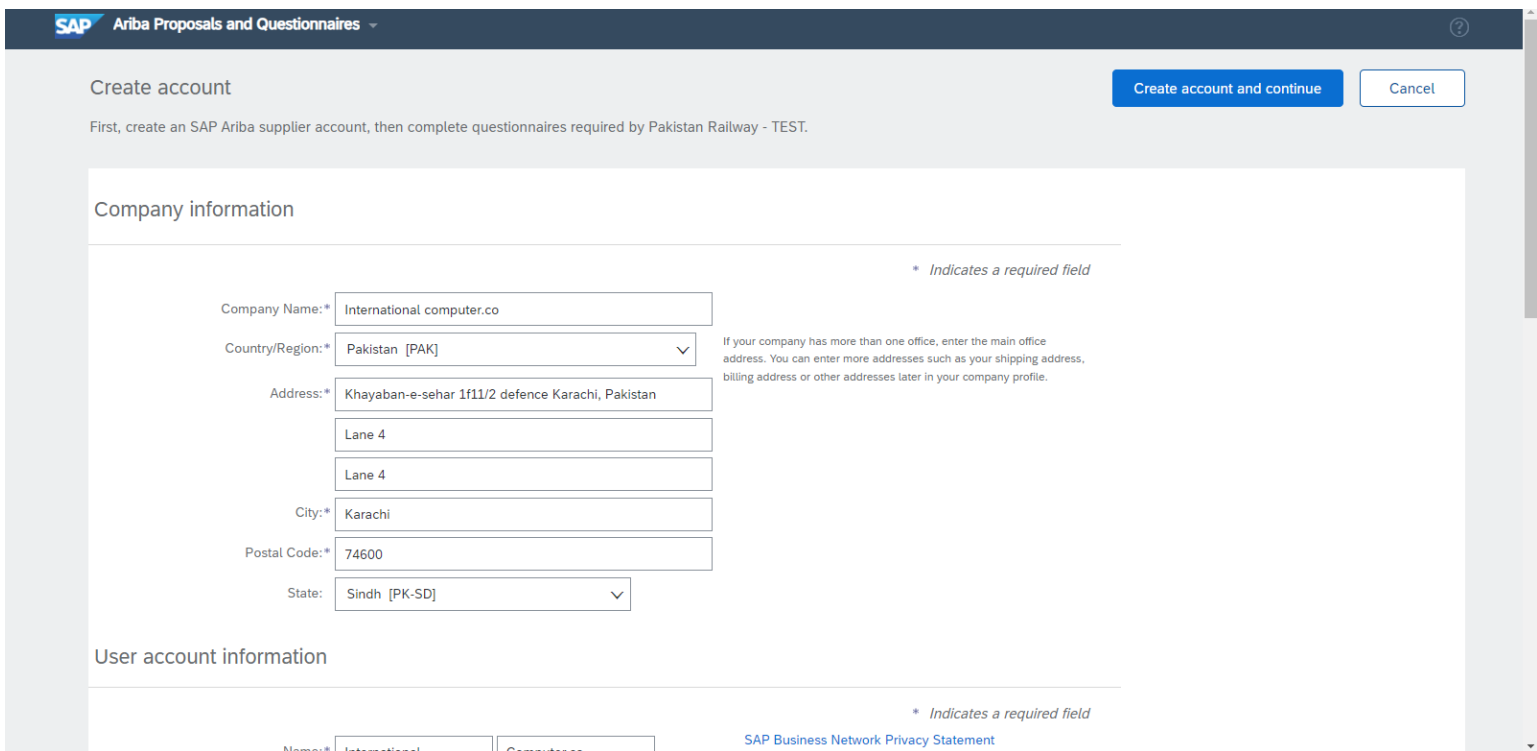

The Ariba Network is your entryway to all your Ariba seller solutions. You now have a single location to manage all of your activities regardless of which Ariba solution your customers are using. Once you have completed the registration, you will

- Respond more efficiently to your customer requests
- Work more quickly with your customers in all stages of workflow approval
- Strengthen your relationships with customers using an Ariba Network solution
- Review pending sourcing events for multiple buyers with one login
- Apply your Company Profile across Ariba Network, Ariba Discovery and Ariba Sourcing activities

STEP 3.

Once you click on the sign-up option the following below screen will appear where you have to first fill the following company fields.

- 1: Company name
- 2: Company Region
- 3: Address
- 4: City
- 5: Postal code
- 6: State

The screenshot shows the 'Create account' page in SAP Ariba. The page title is 'SAP Ariba Proposals and Questionnaires'. There are two buttons at the top right: 'Create account and continue' and 'Cancel'. Below the buttons, a message reads: 'First, create an SAP Ariba supplier account, then complete questionnaires required by Pakistan Railway - TEST.' The main section is titled 'Company information' and contains several required fields marked with an asterisk. The fields are: 'Company Name:*' (text input with 'International computer.co'), 'Country/Region:*' (dropdown menu with 'Pakistan [PAK]'), 'Address:*' (three stacked text inputs with 'Khayaban-e-sehar 1f11/2 defence Karachi, Pakistan', 'Lane 4', and 'Lane 4'), 'City:*' (text input with 'Karachi'), 'Postal Code:*' (text input with '74600'), and 'State:*' (dropdown menu with 'Sindh [PK-SD]'). A note on the right side of the form states: '* Indicates a required field' and 'If your company has more than one office, enter the main office address. You can enter more addresses such as your shipping address, billing address or other addresses later in your company profile.' Below the company information section is the 'User account information' section, which is partially visible, showing a 'Name:*' field with 'International' and 'Computer.co' entered. A link for 'SAP Business Network Privacy Statement' is also visible.

After completing your company details. Scroll down to fill the details of the user. Initially when you enter the details of the user it automatically became the administrator user. You can change the admin user later in Ariba Network>Company Setting. When you click the link that was on the email from the buyer's organization some of these fields might already be populated with the data. Fill the fields which are empty and check the pre-populated fields to make sure that data is entered correctly.
